2017 Yoga Therapy Summit

Surya Chandra Yoga Sanga is pleased to announce the second Yoga Therapy Summit, *A Tribute to Mr. T.K.V. Desikachar*. This event will be held September 29 – October 1, 2017 at the DoubleTree by Hilton Chicago – Oak Brook. We are excited to play host to the country's top teachers in the lineage of Krishnamacharya and T.K.V. Desikachar, including: Clare Collins, JJ Gormley, Kate Holcombe, Leslie Kaminoff, Gary Kraftsow, Richard Miller, Laura Jane Mellencamp-Murphy, Sonia Nelson, Larry Payne, and Amy Wheeler.

About the Summit

The Yoga Therapy Summit is more about quality than quantity. It is about bringing together a small group of highly qualified teachers who have studied in the Krishnamacharya/T.K.V. Desikachar lineage. This Summit brings yoga therapy as experienced by these top teachers in this lineage to yoga teachers, yoga therapists, and serious students of yoga. Participants will learn and experience the tools of yoga therapy throughout the weekend.

The objective of this year's Yoga Therapy Summit is to provide every participant the opportunity for in-depth study with the teacher(s) of their choosing and to honor the life and teachings of Mr. T.K.V. Desikachar through discussion and tribute. We are expecting attendance of 300-500 participants.

Our tentative schedule offers participants a wide range of learning and experience throughout the weekend. Participants will study with selected teachers for 9 hours over the course of the Summit. They will also have an opportunity to hear stories of those who studied with Mr. Desikachar, learn about the IAYT from John Kepner, attend free asana classes, view exhibits, and network with each other.

Sponsorship Opportunities

Surya Chandra Yoga Sanga is a non-profit organization. We are actively looking for sponsors to assist financially or otherwise with this event. In return, you will have visible placement to market your products and services to a highly desirable demographic.
